9th January 2022

Dear Parents,

Greeting from St. Bede's Anglo Indian Higher Secondary School.

DECLARATION FORMS FOR STUDENTS OF STD. XI

- **Declaration Forms for Std. XI** Government Exams have been generated for this Academic Year 2021-2022.
- Parents must come to school along with your ward on **Monday (10.01.2022) between 1.30pm and 4.00pm** to verify the details.
- You are exhorted **go through the form carefully and look for any correction** in all the fields (such as English and Tamil names of candidates and parents, initials of candidates and parents, dates, subject codes, subject particulars, medium and so on.)
- Kindly **notify the corrections immediately with necessary proof** to the office staff available at the time of verification.
- If there are no corrections, both **parent and student must sign the declaration form.**
- This checking and correction needs to be done promptly as there may not be another chance to do so, since the **government portal may be closed by the end of the week.** Hence, **parents are requested to respond promptly** if there are some corrections and any delay in the process may lead to a situation where they may not be able to execute any correction after the closure of the portal.

Regards,
